The number of rounds in November was 2,901, which was 320 less than the previous year. The number of member rounds significantly decreased because of rainy days in the second half of the month. As a result, the total revenue was 27,130,000 yen, which was 3,220,000 yen less than the previous year.

The number of rounds in the first 3 months of this FY37th is 8,716, which is 508 less than the previous year. The total revenue in the same period decreased by 5,150,000 yen from the previous year.

<From course maintenance>

The temperature has been lower, and we are getting into the frost season. We put cover sheets on greens No.1 to No.3 and No.10 to No.12 as our normal procedure in winter. We implement the work after 3PM. We appreciate your understanding and co-operation.

We will start to cut brunches and trees hindering turf growth and quality of golf rounds on weekdays from January 30.
